

Woods, fabrics and CPL-laminate (Continuous Pressure Laminate). Metals, lacquered and linoleum. In a myriad of colours and qualities. On each price sheet we have specified the product's wood finishes and colours. On www.efg.info under Assortment/Materials & colours you can see the standard assortment. For actual samples please contact our sales offices or visit our showrooms.

Veneer and solid timber is purchased from Northern- and Central Europe, from reputable companies who carry out on-going replanting programmes. Chipboard and MDF confirm to quality standard E1. All adhesives, varnishes and stains are solvent-free.
