

EFG IZI LIGHT · EFG IZI PRO

*Welcome to
a new family of workstations*

EFG IZI LIGHT · EFG IZI PRO

The link between a varying posture and a healthy working environment has never been clearer and the traditional approach faces major challenges. EFG's flexible workplaces encompassed this new family of sit / stand table EFG Izi Light and EFG Izi Pro in the center, creating a complete solution for the modern office. EFG Izi Light is the cost effective alternative that still offer the necessary features you need on a sit/stand desk. With EFG Izi Pro a wider variety of options are available. Both models are stable, quiet and prepared with new technology that create the best possible conditions for a flexible ergonomic working environment.

EFG Izi Light and EFG Izi Pro are designed and manufactured with minimal environmental impacts and in accordance with the established Nordic furniture eco-labeling. Components consists mainly of recyclable material, all wood is FSC certified, and we only use eco-friendly products.
